

Hold a team meeting at least once a week in some format. Copy the template below into a new document, naming it CIS350-YYYY-MM-DD (replacing the appropriate date fields). Commit it to "meetings" folder of your project on GitHub. There should be a unique document for each meeting held.

Project name: BlackJack

Members present: Shane, Aaron, Samuel, Joe

Date: 1/31/25

Time: 8pm in Person at GV Library.

Discussion points:

- Discussed how we want to implement the class deck.
- We decided that Aaron and Shane would work on the main code while Sam and Joe work on Unittests and Diagrams.

Goals for next week (include responsibilities):

- Start to get code written for the deck class(Aaron, Shane)
