

Hold a team meeting at least once a week in some format. Copy the template below into a new document, naming it CIS350-YYYY-MM-DD (replacing the appropriate date fields). Commit it to "meetings" folder of your project on GitHub. There should be a unique document for each meeting held.

Project name: BlackJack

Members present: Shane, Aaron, Samuel, Joe

Date: 2/21/25

Time: 6 pm Via Discord

Discussion points:

- Discussed the committed Deck Class and how we want implement Player class and game class
- Discussed progress on implementing unittests and diagrams

Goals for next week (include responsibilities):

- continue to write code for the deck class and game class(Aaron, Shane)
- Write Unittests and coverage report (Sam), Use Case and Use case specifications (Joe)
